

(g) the size, material, quality description and position of the pipes and fittings to be used for the purpose of any connection with or any communication from any corporation water works and the stamping of pipes and fittings and fees for such stamping ;

(h) the size, material, quality and description of pipes, cisterns and fittings which are found on an examination to be so defective that they cannot be effectively repaired ;

(i) the provision and maintenance or meters when water is supplied by measurement ;

(j) the prohibition of fraudulent and unauthorised use of water and the prohibition of tampering with meters ;

(k) the maintenance of pipes, cisterns and other water works ;

(l) the licensing of plumbers and fitters, and for the compulsory employment of licensed plumbers and fitters ;

(m) any other matter which is to be or may be provided for by bye-laws made under this Chapter .

(3) In making any bye-law under this section, the corporation may provide that a breach thereof shall be punishable with fine which may extend to one hundred rupees and in case of continuing breach with an additional fine which may extend to ten rupees for every day during which the breach continues after receipt of a notice from the corporation to discontinue such breach.

231. Vasting of sewers, etc., in corporation.—(1) All public sewers, all sewers in, alongside or under any public street within the city and all sewage disposal works whether constructed out of the corporation fund or otherwise, and all works, materials and things appertaining thereto, shall vest in the corporation.

(2) All public and other sewers which are vested in the corporation are hereafter in this Act referred to as corporation sewers.

(3) For the purposes of enlarging, deepening or otherwise repairing or maintaining any such sewer or sewage disposal work so much of the sub-soil appertaining thereto as may be necessary for the said purpose shall be deemed also to vest in the corporation.

(4) All sewers and ventilation-shafts, pipes and all appliances and fittings connected with the sewerage works constructed, erected or set up out of the funds of the corporation in or upon premises not belonging to the corporation whether—

(a) before or after the date on which a corporation is established under this Act, and

(b) for the use of the owner or occupier of such premises or not,

shall, unless the corporation has otherwise determined, or does at anytime otherwise determine, vest in the corporation.

232. Maintenance of sewers and sewage disposal works.—The corporation shall maintain and keep in repair all corporation sewers and sewage disposal works and shall construct as many new drains and sewage disposal works as may from time to time be necessary for effectual sewerage of the city.

233. Certain matters not to be passed into corporation sewers.—(1) No person shall throw, empty, or turn into any corporation sewer or into any drain or sewer communicating with a corporation sewer :—

(a) any matter likely to injure the sewer or to interfere with the free flow of its contents, or to affect prejudicially the treatment and disposal of its contents ; or

(b) any chemical, refuse or waste steam, or any liquid of a temperature higher than forty-five degrees centigrade, being refuse or steam which, or a liquid of which, when so heated, is, either along or in combination with the contents of the sewer, dangerous, or the cause of a nuisance, or prejudicial to health; or

(c) any dangerous petroleum.

(2) In this section, the expression "dangerous petroleum" has the same meaning as in the Petroleum Act, 1934 (Central Act 30 of 1934).

234. Application by owners and occupiers to drain into corporation sewer.—(1) Subject to such conditions as may be laid down in the bye-laws, the owner or occupier of any premises having a private drain, or the owner of any private drain within the city may apply to the corporation to have his drain made to communicate with the corporation sewers and thereby to discharge foul water and surface water from those premises or that private drain :

Provided that nothing in this sub-section shall entitle any person to discharge directly or indirectly into any corporation sewer—

(i) any trade effluent from any trade premises except in accordance with the bye-laws made in this behalf; or

(ii) any liquid or other matter the discharge of which into corporation sewers is prohibited by or under this Act or any other law.

(2) Any person desirous of availing himself of the provisions of sub-section (1) shall give to the corporation notice of his proposals, and at any time within one month after receipt thereof, the commissioner may by notice to him refuse to permit the communication to be made, if it appears to him that the mode of construction or condition of the drain is such that the making of the communication
